

Carolina Pelicans - A chapter of the Family Motor Coach Association

Congratulations on being a member of the FMCA. It's a great organization with a lot of benefits when you have a Recreational Vehicle. One of the best benefits is becoming a member of an FMCA Chapter. We invite you to consider becoming a member of the Carolina Pelicans. We have been an FMCA Chapter since 2004 and have more than 65 members. The area we cover is within about 150 miles of Myrtle Beach, and we have both NC and SC members. We hold around 4 rallies a year at various locations in the Carolinas and each rally is hosted by volunteer couples. They plan the meals and activities and those interested may also go golfing or do local shopping, etc.

There are also area and national rallies to attend if you would like - check them out on the FMCA website. Joining a local chapter such as ours can provide additional benefits. There is the friendship our group can offer, and the knowledge our Carolina Pelican members are only too happy to share, such as their hobbies, skills, experiences and ideas regarding repairs, RV products, and general maintenance, care, camping and travel plans - anything an RV life can involve!

As a Carolina Pelicans member, if you are a Facebook account holder, you can request access to the "FMCA Carolina Pelicans RV Chapter" page, which will be granted once the administrator has confirmation of your chapter membership.

And anyone can access our website at www.carolinapelicans.com for upcoming events, pictures of past events, access to forms etc.
